## **CALLING DR. CAILLOU**

As recorded script

**STORYTELLER**

It was a special day for Caillou, so special that he got up as early as he could, because he didn't want to miss a thing!

**CAILLOU**

Perfect!

**STORYTELLER**

Caillou wanted to look extra nice today. He was proud that he was getting dressed all by himself!

**CAILLOU**

No Gilbert! I have to get ready!

**MOM**

Good morning Caillou! Time to get up! Caillou! You're already up! And you dressed yourself!

**CAILLOU**

I'm going to work with Daddy!

**MOM**

Oh yes, that's right! It's the father and son day at Daddy's office, isn't it?

**CAILLOU**

Un huh!

**DAD**

Ah...ah...achooooo!

**MOM**

Hmm, sounds like Daddy's awake. Let's go get Rosie and have some breakfast!

**CAILLOU**

Look Mommy, I'm making breakfast!

**MOM**

I can see that, Caillou. Can I help? Breakfasts always taste better at the table!

**DAD**

Goob mornig, everyone.

**CAILLOU**

Hee hee, you sound funny, Daddy!

**DAD**

My nosed is a little stuffed up.

**CAILLOU**

Ahhh!

**MOM**

That was fast! Where are you going?

**CAILLOU**

To get my knapsack!

**STORYTELLER**

Caillou couldn't wait to be on his way to work with his Daddy!

**DAD**

Ah...achoo! Okay, Caillou!

**MOM**

You don't sound too good.

**DAD**

I'll be fine!

**ROSIE**

Daddy!

**MOM**

Honey, Maybe you shouldn't...

**DAD**

Today's a big day!

**CAILLOU**

Hurry Mommy! Here you go  
daddy! Let's go.

**DAD**

Good-bye Rosie... ah...ah...Achoo!

**MOM**

Are you sure you're okay?

**DAD**

I'm fine.

**MOM**

Hmm, feels like you've got a  
fever. I don't think you  
should go to work today. I  
don't think daddy's well  
enough to go to work Caillou.

**CAILLOU**

Ohhh!

**DAD**

Sorry, Caillou, I think  
mommie's right. But I promise,  
as soon as I'm better, we'll  
go to my office, okay?

**CAILLOU**

But we have to go!

**STORYTELLER**

Caillou was very disappointed,  
because he had been waiting  
all week for this day!

**MOM**

Honey, you better go upstairs  
and lay down.

**DAD**

Yeah... I think you're right.

**MOM**

I know your upset, but we all  
get sick sometimes.

**ROSIE**

Daddy sick.

**MOM**

We'll just have to take really good care of Daddy, to help him get better, OK?

**CAILLOU**

OK.

**MOM**

I'm gonna check on Daddy. Why don't you think of things we could do to help him get better.

**CAILLOU**

Okay.. Teddy, you're sick too! You have to go back to bed!

**MOM**

It's a low fever, but it's a fever, no doubt about it. I'll be right back with some medicine.

**DAD**

A-achoo! Well, what do we have here?

**CAILLOU**

Teddy's sick too.

**DAD**

Maybe you should take his temperature.

**CAILLOU**

He's got a fever. Teddy needs some medicine too! Stay there Daddy!

**DAD**

Okay, Dr. Caillou. I won't move a muscle!

**CAILLOU**

Mommy, Teddy needs some medicine!

**MOM**

Oh, Teddy's sick too? Hmm, something to drink would be a good idea.

**CAILLOU**

I'll get it. Here Mommy!

**MOM**

There! Now let's take this up to our patients!

**CAILLOU**

Drink your juice, Daddy, it will make you better! Teddy too!

**DAD**

Yes sir, Dr. Caillou, we will.

**CAILLOU**

If you drink all your juice, you'll get better!

**STORYTELLER**

Caillou had forgotten all about going to daddy's office. He was too busy taking care of teddy and daddy. He loved being their doctor.

**DAD**

Do you want to be a doctor when you grow up Caillou?

**CAILLOU**

Yes! I'm helping daddy get better!

**MOM**

Do you think there's anything else we could do to make him get well?

**CAILLOU**

Oh! I know!

**STORYTELLER**

Caillou had remembered the one thing that made him feel better when he was sick.

**CAILLOU**

You're going to make daddy all better! I remembered Grandma brought me this when I was sick! Can I give it to Daddy?

**MOM**

That would be nice. And didn't grandma also bring you a get well card?

**CAILLOU**

Yes! Can we make daddy a card?

**MOM**

Why don't we make a BIG get well card, and see what happens?

**ROSIE**

Okay!

**CAILLOU**

Okay!

**DAD**

Well, what's all this?

**CAILLOU**

It's a card to get better!

**DAD**

Just what I needed!

**CAILLOU**

I did that part! Rosie and Mom helped too!

**DAD**

Did you help too Gilbert?

**CAILLOU**

Are you all better now Daddy?

**DAD**

Almost, but not quite. Maybe tomorrow.

**MOM**

The most important thing Daddy needs now is some rest.

**CAILLOU**

Can I read Daddy a bedtime story.

**DAD**

I would love that!

**MOM**

Why don't you go and choose one of your favorite books.

**STORYTELLER**

Caillou wanted to choose the perfect story for daddy.

**CAILLOU**

Farmer Brown!

**MOM**

There once was a farmer, named Farmer Brown. Farmer Brown had a big farm, with lots of animals!

**CAILLOU**

Are you asleep yet, Daddy?

**DAD**

Not yet, but I'm getting sleepy!

**CAILLOU**

Hurry Mommy, Daddy's getting sleepy!

**MOM**

Some of these animals went  
Moooo! Others went Baaaa!  
Still others went Meow!

**EVERYONE**

Ha ha ha...

**STORYTELLER**

With Dr. Caillou, Rosie and  
Mommy to take care of him, it  
wasn't long at all, before  
Daddy was well again, and able  
to take Caillou to his office  
for the day!
