CAILLOU' S PROMISE

As recorded script

CAILLOU

Rosie don't!

ROSIE

(Giggles).

CAILLOU

Mommie! Mommie, I don't want
Rosie to play in my sandbox!

ROSIE

(Cries).

MOM

Okay you two that's enough.
Caillou, you have to play
nicely with your little sister.
The sandbox is for both of you.

CAILLOU

But...

MOM

No buts... I have to go out now
and I want you to promise me
that you will let Rosie play
with you.

STORYTELLER

Caillou was upset because he
didn't think mommie was being
fair, after all, Rosie had
started it.

MOM

Promise?

CAILLOU

Okay.

DAD

Bye honey, have a nice day.

MOM

Bye. Oh, do me a favor and
clean up the kitchen? Promise?

DAD

I promise, see you later. Well, I'd better get to it. DO you want to help me wash them Caillou?

CAILLOU

Gilbert. Gilbert! No cats on the table!

DAD

Why don't you let Gilbert outside?

CAILLOU

Come on Gilbert.

STORYTELLER

Now that Caillou was alone, he thought it would be a good time to play with his cars.

DAD

All set! You ready to wash Caillou? Where'd he go Rosie?

ROSIE

Caillou!

DAD

Caillou? Didn't you want to help me wash the dishes?

CAILLOU

I'm playing and I don't want Rosie to play in the sandbox with me.

DAD

Well, do you remember the promise that you made to mommie? You have to share the sandbox with Rosie right? It's very important not to break a promise Caillou. Why don't we let Rosie play a while and and we can do the dishes.

ROSIE

Rosie play!

CAILLOU

Okay Rosie, you can play for a little while.

STORYTELLER

Caillou was having alot of fun helping daddy, even though he was mostly only playing with the bubbles.

CAILLOU

(Giggles).

DAD

Ah Ah! Looks like you need to be dried off too! There! Now that the job's done what do you say we go to the park?

CAILLOU

Yeah!

STORYTELLER

Caillou was very happy to be playing with his friends in the sandbox. He was especially happy that Rosie wasn't there to destroy everything!

CAILLOU

Vrooom, vrooom, vrooom-beep!

JASON

We're going to the circus today!

CAILLOU

The circus?

JEFFREY

Yeah! Our mom is taking us after lunch.

STORYTELLER

Caillou loved going to the circus. He hadn't been to the circus in a very long time!

JASON

There's a big tent!

JEFFREY

And an elephant! It's huge!

JASON

Are you going to the circus too?

STORYTELLER

Caillou didn't know if his parents were going to bring him to the circus. But he sure hoped they would.

CAILLOU

Daddy, can we go to the circus too?

DAD

What circus Caillou?

CAILLOU

Jason and Jeffrey are going to the circus. They say there's a big tent and an elephant!

ROSIE

Elephant!

DAD

I'm sorry Caillou, I, I wasn't aware there was a circus in town. But we can't go today. Maybe another day okay?

CAILLOU

Can we go tomorrow?

DAD

When mommie gets home, I
promise to ask her what she
thinks about all of us going
together okay?

CAILLOU

My daddy promised to take me
tomorrow.

JASON

You can come with us today!

STORYTELLER

Caillou thought that was a
great idea! Going to the
circus with the twins today
was much better than having to
wait until tomorrow!

JEFFREY

But we have to ask our mommie.

CAILLOU

Promise?

JASON/JEFFREY

Bye Caillou! See you later!

STORYTELLER

Caillou was very excited. He
was sure he was going to the
circus today with Jason and
Jeffrey.

CAILLOU

HA!

DAD

Caillou slow down, you're
eating too quickly.

CAILLOU

(His mouth full). I have to
hurry, Jason and Jeffrey are
coming to get me.

DAD

Caillou, please don't talk
with your mouth full.

CAILLOU

I have to hurry, Jason and
Jeffrey are coming to get me.

DAD

They are?

CAILLOU

They invited me to go to the
circus today.

ROSIE

Me too!

CAILLOU

No Rosie, they're my friends
and your not coming.

ROSIE

(Crying).

DAD

Caillou, that's not very nice.
And the boys mother didn't say
anything to me at the park, so
I don't think you'll be going
with them.

CAILLOU

But they promised! (Crying).

STORYTELLER

Caillou was very upset. He was
sure that the twins would
bring him to the circus. He
didn't understand why they
would promise to take him and
then not do it.

DAD

You're very upset aren't you
Caillou?

CAILLOU

They promised daddy. Heu heu!

DAD

And I told you that it's very important not to break a promise didn't I? Well, I think the boys promised something a little too quickly. I think they forgot to ask they're mommie first.

CAILLOU

Why?

DAD

We all forget sometimes. Besides, they're your friends and I'm sure they really wanted to bring you with them.

CAILLOU

But I want to go to the circus.

DAD

I know you do. And we will.

CAILLOU

Maybe that's them!

MOM

Hi Caillou!

STORYTELLER

He was disappointed that it wasn't the twins coming to get him.

MOM

Caillou? Why the long face? Did you know that the circus was in town? I saw the big tent they put up on the way home!

DAD

Caillou knows about it!

MOM

Did you guys have a nice day?

DAD

Yes, Caillou helped me with the dishes!

CAILLOU

And I let Rosie play in the sandbox, just like I promised!

MOM

I know, let's go to the circus?

CAILLOU

Really? Now! Rosie! Come on, we're going to the circus!

ROSIE

Yeah! Yeah!

ROSIE & CAILLOU

(Giggling).

STORYTELLER

Caillou was very happy that he was going to the circus, and that he didn't have to wait until tomorrow after all!
